

CONTINUING PROFESSIONAL DEVELOPMENT (CPD)
PRINCIPLES

Effective and enjoyable lifelong learning is at the heart of CPD that should be:

S

Systematic

Follow the Personal Development Plan

Learning activities should be:

- Practice-based
- Self-directed

C

Comprehensive

To include competencies beyond medical expertise, such as leadership, collaboration, advocacy, communication, scholarship, professionalism

a

Accredited

Learning experiences should comply with adult learning principles

R

Reported

To document, track & report for professional regulation and demonstrate accountability.

Use Portfolio to include, audits, credits, and other documentation

The OF CPD Sub-Committee: Amelia Buque, Antony Vipin, Bernardo Soares, Brenton Finklea, Chimgee Chulunkuu, Helena Prior Filipe (Chair) Marie Rasmussen, (co-Chair), Mildredc Lopez, Muhammad Moin
