

Maastricht Clinical Teaching Questionnaire

Use this table to evaluate individual clinical teachers' performance at the workplace.

<i>Please indicate your level of agreement with the following statements:</i>	Fully Disagree	Disagree	Neutral	Agree	Fully Agree
1. I consistently demonstrate how to perform clinical tasks					
2. I clearly explain the important element for the execution of a given task					
3. I create sufficient opportunity for the student to observe me					
4. I serve as a role model as to the kind of health professional students would like to become					
5. I observe students multiple times during patient encounters					
6. I give useful feedback during or immediately after direct observation of the student's patient encounters					
7. I help the student understand which aspects they need to improve					
8. I adjust my teaching activities to the level of experience of students					
9. I offer sufficient opportunities to students to perform activities independently					

(Continued)

10. I support students in activities that they find difficult to perform					
11. I gradually reduce the support given to allow students to perform certain activities more independently					
12. I ask students to provide a rationale for their actions					
13. I help students become aware of gaps in their knowledge and skills					
14. I ask students questions aimed at increasing their understanding					
15. I encourage students to ask me questions to increase their understanding					
16. I stimulate students to explore their strengths and weaknesses					
17. I stimulate students to consider how they could improve their strengths and weaknesses					
18. I encourage students to formulate learning goals					
19. I encourage students to pursue their learning goals					
20. I encourage students to learn new things					
21. I create a safe learning environment					
22. I take sufficient time to supervise students					
23. I am genuinely interested in the students					
24. I show respect to students					

25. Rate yourself on an overall assessment

26. What are your strengths as a clinical supervisor?

27. What areas would you like to improve on as a clinical supervisor?
