

OPHTHALMOLOGY FOUNDATION SUBSPECIALTY EXAMS

THE OPHTHALMOLOGY
FOUNDATION WILL BE OFFERING
SUBSPECIALTY EXAMINATIONS IN
RETINA AND GLAUCOMA FROM
MARCH 2027.

- **Global Recognition**
Be recognized for your academic excellence, and measure your ability against your peers.
- **Low Cost**
Highest level of subspecialty examinations internationally at a low cost.
- **Career Advancement**
Elevate your career and boost your resume with a respected, independent assessment of your skills

The Ophthalmology Foundation examinations are designed to be high-quality, internationally benchmarked assessments, aligned with the AAO BCSC curriculum and underpinned by robust standard-setting methodologies.
